## Service description

Your service is delivered through the wireless network with speeds ranging from up to 10/10 Mbps and up to 50/50 Mbps depending on the plan chosen (see table above).

## Service speeds

- Plan speeds are the maximum attainable and we provide no guarantee that these speeds will be achieved consistently. Average typical evening speeds data is currently not available.
- Service speeds can vary due to factors such as the type of technology available with your service, network capacity as well as local factors such as the performance of your hardware such as your router, wireless network or any interferences (such as large appliances

or concrete walls).

- Many home routers and Wi-Fi networks will hold up your connection to the internet, especially with our faster fibre plans. Our customer support team can help with exploring the best Wi-Fi setup for your business.
- You may upgrade this plan by requesting a change to your plan before the end of the billing period, which is a calendar month. Any new plan will begin at the commencement of the next month. The plan can be changed to any compatible plan with no additional cost.
- All plans are subject to our acceptable use policy. You must not use your service in an unreasonable manner that will detrimentally affect our network.

## The minimum term

The minimum term is 1 month. You can upgrade at any time. A hardware and installation fees are payable for services upfront.

## Early termination charges (ETC)

A notice period of 30 days is required in writing to cancel your plan.

### Installation

Our technicians will install an antenna and a network boundary point at your premises. You or someone over the age of 18 years must be present for the duration of the installation appointment. Any cabling that is required in your premises beyond the network boundary point is your responsibility, and at your own cost.

### Fee For Service

A Fee for Service may be charged for any works conducted by yless4u or our third party access providers to resolve a service fault where the fault is not found to be on yless4u or its third party access provider's networks. This Fee for Service is variable and the details of the possible fee(s) will be disclosed to you prior to the works commencing or the booking of an appointment. They are subject to your approval before proceeding. If you refuse to agree to accept a Fee for Service, it is possible that we may not be able to resolve your fault.

### Invoicing options

We accept credit card payments: Visa and Mastercard and nonautomated payments (bank deposit, EFT, cheque, money order). Every failed payment incurs a charge of \$4.40 on your next bill. If you wish to avoid fees and charges, please select the BPAY option.

### Discounts and promotions

This summary does not reflect any discounts or promotions which may apply from time to time. It also does not reflect any added services that you select whilst you have this plan.

### Pro-rata billing

If you connect to your plan partway through a month then your monthly access fee, as well as any allowances, will be calculated based on the number of days remaining in

that month.

### Priority assistance

Priority assistance is a service for households that include someone who has a diagnosed life-threatening medical condition and whose life may be at risk without access to a fully operational telephone service. We cannot offer priority assistance on our service or on telephony services that utilise our service. If priority assistance is required, you should apply through a provider who can offer this service.

### Failure to connect

If you have signed up for a yless4u service but then decide not to proceed with the order, then we may be required to pass on costs incurred while pursuing your order.
